

**"Sew Stars"**  
**Teaching kids inspiration, creativity, and potential**  
**through sewing**  
**Ingrid James, Instructor**

The goal of this course is to teach each child there is no limit as to what they can achieve with their imagination. They can jump start their creativity through the inspiration of everyday items and surroundings. The children will work on their fine motor skills with hand sewing and cutting. They will learn the basics of the sewing machine. Through the course of the semester we will complete an Inspiration Board, Go Green, and learn how to recreate clothing. We will work on a charitable teen project for the American Cancer Society. **Most important**, your child will have a skill that will enrich their lives each and every day.

This class is for students in Third thru Eighth grade. The cost for the semester is \$200 (\$50/month) (There will be a small start up fee that would include their sewing notions and basket that they will store their things in. They will take this home at the end.) Make checks payable to **Ingrid James**. The class will meet Wednesdays from 3:20-4:45 p.m. in the middle school Spanish Room. For more information contact Ingrid at [sewstars@yahoo.com](mailto:sewstars@yahoo.com) or call her at 572-3619.
