When you need more than a
7:45 to 3:25 school day

EXTENDED CARE

In this day and time many families need more than a 7:45 to 3:25 school day for their child. Our extended care programs are a way to make your child's morning transition from home to school and afternoon transition from classroom to after school activities smooth and enjoyable when you are at work or they need extra time to play.

Our Early Care program provides a breakfast snack and activities to wake up your child's mind in preparation for the school day.

Our After Care program provides a snack, time for homework and studying, free play with outside and inside activities to choose from, and an opportunity to participate in the numerous after school activities here at St. Luke's School.

Our Holiday Care camps provide all day care during many of our school holidays. Children participate in planned and free play activities. Everyone must bring a bag lunch to be enjoyed picnic style.

EARLY CARE

Children attending the Early Care program may arrive as early as 7:25 a.m. Parents are to escort children to Witter Hall, and ensure that a staff member has acknowledged their arrival. A carpool drop off is available by using the driveway area in front of Witter Hall under the canopy. Children will be released to their classrooms at 7:45 a.m. for Middle School and 7:55 a.m. for Lower School.

AFTER CARE

Our After Care program is available from 3:20 to 6:00 p.m. The children are supervised in small groups allowing personal attention during snack and homework time. Large group activities, including mixed grade levels, are conducted on the playground and classrooms. Many of our children participate in numerous St. Luke's School sponsored after school activities on campus which allows the children a fun filled afternoon. It is not uncommon to hear a child tell their parent, "Can you come back later. It's my turn to _____." (fill in the blank with "pitch in the game", "play on the computer", or "finish watching the movie").

HOLIDAY CARE

All St. Luke's School students are invited to participate; however, priority registration will be given to enrolled full time after care families. The Holiday Care program maintains a minimum and maximum number of students for enrollment in the holiday camps.

Individual camp sign-ups are required.

AUTOMATIC BANK DRAFT AUTHORIZATION
Full Time Monthly Extended Care Payment

All individuals choosing full time extended care have the option this year to participate in the bank draft plan. You will no longer need to write monthly checks for payments. On or about the 15th of the month, your authorized checking account will be drafted for the registered extended care amount. This amount will be shown as a debit on your monthly bank statement.

Withdrawals will begin in September, 2011 and continue through May, 2012 or as registered after September 1, 2011. As stated in the school contract, you are responsible for all charges incurred for the set up and distribution of the monthly draft, including, but not limited to, charges for returned items. Please remember, this is our fee and does not include any fees issued by your bank for set up or returned items. The school must be notified, immediately, of any changes or closure to the authorized account. Please maintain this portion of the authorization for your records and return the completed bottom portion with a voided check from your account, along with the \$5.00 set up fee. Please note: a separate draft must be sent per student; therefore, if you have more than one child, you must complete separate authorization forms. In this case, one voided check is required and the total of the set up fees may be paid in one payment.

Bank Draft Fees for 2011-12

Set up fee per account	\$ 5.00	Return item fee	current bank charge
------------------------	---------	-----------------	---------------------

I authorize St. Luke's Episcopal Day School to initiate a debit entry against my checking account in payment of my monthly extended care fees. This authority will remain in effect through May, 2012, or until which time I notify St. Luke's Episcopal Day School in writing to cancel it in such time as to afford St. Luke's a reasonable opportunity to act on it.

Return this completed portion with a voided check from your account and the \$5.00 fee.

St. Luke's Internet Acceptable Use Policy

The Internet provides great educational benefits to students of St. Luke's Episcopal Day School. Access to the internet is given as a privilege to students who agree to act in a considerate and responsible manner. The following written agreement describes acceptable uses of the internet and our school network, access privileges, and rules and responsibilities for acceptable on-line behavior. We require that students read and sign the following rules for use of the school's information technology resources.

1. **Acceptable Use**-All use of the Internet and the school network must be in support of education and research and be consistent with the educational objectives of St. Luke's Episcopal Day School. All materials, music, language, movies, pictures, and words should be appropriate in a classroom setting.
2. **Privileges**-The use of the Internet is a privilege, not a right. Any inappropriate use will result in the cancellation of those privileges. As with any other serious violation of school rules and regulations, consequences of violations include the possibility of suspension or expulsion from school.
3. **Unacceptable Uses**-The following behaviors are not permitted:
 1. Distributing photos or personal/private information about others or themselves through words or photos (including no photos of students wearing school uniforms or photos identifying the school, i.e., students near the school sign or logo) including such items as names, addresses, phone numbers, email addresses or personal websites and blogs.
 2. Sharing confidential information about a student or employee. Invading the privacy of an individual by using electronic means to ascertain confidential information, even if the individual or network inadvertently allows access, is prohibited
 3. Copying or accessing another user's software, folder or folder contents, or data without permission of the owner, even if it is readily accessible by electronic means
 4. Sending or displaying offensive messages or pictures.
 5. Engaging in commercial activities.
 6. Campaigning or lobbying for political candidates, parties, or ballot initiatives
 7. Using references to St. Luke's Episcopal Day School on any unauthorized web pages, blogs, or social networking sites is prohibited.
 8. Using obscene, threatening, indecent, harassing, insulting, bullying words, attacks or behaviors
 9. Sending chain letters or spam
 10. Intentionally wasting network resources
 11. Do not infringe copyrights (no illegal copies of movies, software, photos, words, music or games) . This is illegal. The school is not liable for any violations of copyright laws by a student or staff member.

12. Do not plagiarize. Always cite your sources.
 13. Students must have teacher permission before loading programs or applications to and from a school computer, the school website, and the network or when taking work from a school computer as when using a jump drive, flash drive, or PDA's (personal digital assistants-smart phones, etc.)
 14. Students must not use email, chat rooms, instant messaging, net meeting rooms, or social networking sites and other forms of direct electronic communications unless authorized and supervised by a teacher
 15. Accessing or processing materials or files dangerous to the integrity of the local system
 16. Using, viewing, or copying another person's password
 17. Visiting websites not a part of the classroom lesson or listening to music on music sites or with a personal music player during class is prohibited
4. **Network Etiquette**-The teacher or system administrator may scrutinize communication on the Internet. Each internet and network user is expected to abide by the following generally accepted rules of user etiquette:
18. Be polite-communicate with kindness and respect
 19. Use appropriate language
 20. Use resources and equipment appropriately
 21. Students who accidentally find inappropriate material should close it and report it to a teacher
5. **Security**-Security on any computer system is a high priority, especially when the system involves many users. Passwords are confidential and accounts should only be used by the person assigned to it. Any attempt to log on as a system administrator will result in cancellation of user privileges and disciplinary actions.
6. **Vandalism**-Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet system, or any other agencies or other networks connected to the Internet. This includes, but is not limited to, the uploading or creating of computer viruses.

I agree to the above terms and conditions and understand my obligations:
